The Pleasant Valley PTA welcomes you to Pleasant Valley Schools!

Being new can be hard! We hope to help ease your transition into school by being a source of information and guidance as you settle into life at Pleasant Valley. We can continue to help you throughout the year to stay connected and hope you feel welcomed to our school community.

The Pleasant Valley PTA was founded in 1979 and we have a long history of having a successful relationship with the school. Although we are not a part of school and keep our operations separate, we strive to make a seamless connection for all our families between school and PTA by working closely with the staff, teachers, and administration. Scores of PTA members have spent many years enhancing the PV student's school experience and we are glad you are joining our school to be part of it! If you have input or ideas to contribute we would love to hear them, we are always looking for ways to keep families engaged and having fun!

We are excited to have you join our PV Family and want you to know about our communication resources so you can "Get in the Know" about Pleasant Valley activities. We invite you to view our website, www.pleasantvalleypta.com, to learn all about PV PTA, our programs, and functions. You can sign up for our email distribution list to receive the most up-to-date information on PTA and school events by emailing our Communications Chair Rebecca DeMoss at rebeccaldemoss@gmail.com. You can also "like" Pleasant Valley PTA on Facebook to get info, reminders, and recaps about our events.

Welcome to the PV Community! We look forward to sharing the PV experience with you.
If you have any more questions about PV PTA please contact:

Lacee Lemmon, President PVP
Brian Higgins, President PVM
pvptapresidents@gmail.com

This year we are incorporating QR (Quick Response) codes into our communication efforts. A QR code is a matrix barcode, readable by mobile phones with a camera and smart phones. The QR scanner app is free. Simply download the app, scan the code and additional information will be at your fingertips.
